STEM Ag Career Fair Day!

Friday September 28th:

Friday is especially geared to help middle & high school students explore various careers in STEM (Science, Technology, Engineering, & Math), agriculture and natural resource fields.

Please note: Every 10-12 students needs to have one adult educational chaperone to allow time for small groups to visit with each presenter.

Presentation rotations are from 10-11:30 with open session from 11:30-noon. Special programs will begin at noon for lunchtime entertainment!

Thank You

To Our Bus

Sponsor!:

Bus funding is limited and is based on a first come first serve basis. Only those groups participating in the AGventure Days program may apply for a sponsored bus.

Please Note: All educational groups need to register on-line even if you are not doing the AGventure program. Admission is free for students and for 1 adult chaperone per every 10 students. Any additional parent/chaperone will need to pay \$7 admission to enter at the front gate.
